ShoreLand'r | Go the extra mile

HOT new **DOUBLE** leads the way!

Designed to fit today's big 3-person machines, this new trailer is loaded with special features, including:

How low can you go?

These "v" crossmembers allow your machines to ride as low as possible. This lower center of gravity provides safer towing, better gas mileage and easier loading at the ramp.

Longer frame for a better fit

These trailers have been designed around the largest PWCs on the market to ensure a perfect fit. Better fit means better performance on the road and at the ramp.

Geared Winch

This sturdy crank winch features an adjustable bow stop and durable nylon strap that will not tangle or fray.

Custom Molded Step Fenders

Convenient step-on access to your machines. Durable, impact resistant fenders will not rust, to keep your trailer looking great for years.

3 Tire Options to choose from

Choose the 10", 175 x 13" or 185 x 13" to get the desired carrying capacity. The fender and chassis are designed to fit all three.

Stylish Shockwave Graphics

Aggressive chrome design to accent your machines.

Walk-Board

Optional Walkboard provides easy access to your machines.

Additional Features include:

- LED Side-marker lights
- Optional Disc Brakes
- Fully-Grounded Wire Harness
- Fully Adjustable Bunks
- Bunk Mounted Tie Down Points
- Sealed Taillights

WHY ShoreLand'r?

ShoreLand'r goes above and beyond the competition in a number of key areas. These all add up to a trailer you can depend on year in and year out.

A trailer that will look better, last longer and go farther. Get the most out of every weekend and every summer vacation.

Get a ShoreLand'r and go the extra mile!

Better performance on the road

ShoreLand'r makes the journey as painless as possible with features like smooth rolling **factory-balanced wheels** for better performance and less vibration. In addition to that, the frame is designed to keep the PWC riding low for less wind resistance and better gas mileage out on the highway.

Accessorize-ability

Different users have different needs and that's why ShoreLand'r offers a complete line of Genuine ShoreLand'r Accessories. Everything from spare tires to our popular **ShoreLock'r** storage box. Whatever it takes to make your trailer fit your lifestyle.

Higher re-sale value

ShoreLand'r has developed a unique powder-coating process that creates a deep luster, automotive-style finish. This **Superior Quality Finish** provides long-term protection against fading and chipping so your trailer looks better, longer and holds its value.

Advanced protection for your PWC

One of the most important duties of a trailer is to protect your PWC when it's out of its element. ShoreLand'r does it with welded **Uni-frame construction** that provides maximum strength and less flex to ensure longer trailer life. Custom Molded Fenders protect your machine from road debris.
